BEYOND CLAIMS PROCESSING

TURNING DATA INTO INSIGHTS AND OPPORTUNITIES

PERFORMANCE INSIGHTS

Analysis of operational and financial performance metrics to identify trends, opportunities, and areas requiring attention.

EXECUTIVE VISIBILITY

Monthly executive summaries of RCM activities and key performance indicators (KPIs) provide leadership with a clear view of revenue cycle performance.

ONGOING STRATEGY

Bi-weekly meetings with your assigned RCM Associate to discuss trend analysis and operational recommendations designed to improve claims acceptance.

BUILT AROUND YOUR ORGANIZATION

DEDICATED SUPPORT

Assigned RCM Associate with regular communication and monthly meetings with the RCM Associate and Executive Sponsor.

PERFORMANCE ACCOUNTABILITY

Service Level Agreements centered around Key Performance Indicator (KPI) performance.

SCALABLE FEE STRUCTURE

Collection rates are based on claims volume and total revenue, with a sliding scale structure for higher-volume organizations.

A healthier revenue cycle starts with better visibility.
Let Revive help turn your revenue cycle into a stronger financial foundation for your organization.
